ELEGANCE & WELLNESS

Sober with clean lines, chic and modern, the armchair for dogs and cats ARMONIA is perfect to all interiors.

The raised comfort edges provide a sense of security.

They are lined with a soft and comfortable foam to bring to our companions an optimal comfort in all the positions that they will choose.

The three cushions form a harmonious whole and a touch of originality bringing more comfort and privacy to your companion ; they will feel even safer in a more confined place, which may be more suited to their size. They are equipped with anti-scrap tabs that ensure a secure fit.

EASY CLEAN**

Innova premium fabric

This fabric offers excellent technical performance and has high resistance to wear and abrasion. Its weight is 550 grams / m², which ensures very good usability.

Completely removable covering

Our choice has been focused on high-end Innova upholstery fabric to preserve comfort, aesthetics and ease of maintenance: soft to touch, with a peach skin effect and very resistant to wear.

Its innovative "Easy Clean" technology makes it easy to remove most stains with just plain water and mild soap. This makes it possible to preserve the longevity of its appearance.

For a durable purchase, the sofa sparecovers are available as an option.

Grey

Grey is a timeless color that looks great with all styles of interior design to provide a sober, trendy and chic atmosphere.

Taupe

The Taupe is neutral, it is a perfect color to bring a touch of brightness and creates a natural and warm ambience with elegance and softness.

Easy clean Technology

Simple maintenance and cleaning without damaging the fabric structure.

Innovatec Process

Thanks to the innovative production process, the fabrics are woven with a protective barrier. This makes the fibres particularly resistant to stains, keeping the furniture like new for longer.

Soft touch

Touching specially created or a silky texture and a feeling and a feeling of comfort and softness.

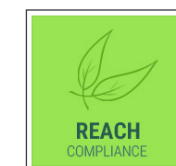

Abrasion Resistance

Orthopedic and relaxing sleeping

The health and comfort of our 4-legged friends are our priorities, so we choose to use the “high end” by selecting the “memory foam” for the central mattress.

This material is ideal for older animals or those suffering from back, hip or joint problems and it is also a very good prevention for the youngest.

Certified CERTIPUR, the foam is hypoallergenic.
